

BMSC Members declaration

Please read carefully before signing.

Application

I apply for / seek to renew membership of Birmingham Masters Swimming Club and agree to adhere to the club code of conduct (see Training Etiquette on the club website) and the ASA Code of Ethics as set out on the ASA website.

Rules of the club

I acknowledge receipt of the rules of Birmingham Masters Swimming Club as displayed in the Club Constitution on the Club Website and confirm my understanding and acceptance that these rules (as amended from time to time) shall govern my membership of the club. I further acknowledge and accept the responsibilities of membership upon members as set out in those rules.

Accuracy of information

I confirm that to the best of my knowledge the information given overleaf is complete and accurate and I undertake to keep the club informed of any changes.

Consent to activities

I am aware of the type of activities likely to be undertaken and I consent to taking part in them. I acknowledge that the club will only be liable in the event of an accident if they have failed to take reasonable steps in their duty of care.

Data Protection Notice

The information entered on this form and any other data collected during the period of membership will be used by the officers of the club for the purposes of processing your application / renewal and dealing with you as a member. We may also share the information with the ASA and event organisers for registration, entry and statistical purposes but will not disclose it to any third party for marketing or commercial purposes without your permission.

Consent to photography

Birmingham Masters Swimming Club recognises the need to protect the welfare and safety of all young people in sport. Accordingly we do permit video or other images to be taken without the express permission of the club committee. The club video cameras may be used by agreement with the committee, club members and where appropriate swimming meet organisers to record stroke technique or race performances.
