

# ***Committee meeting notes***

---

**Tuesday 9 March 2010**

---

## **Grant application**

After a final tweak we are now able to apply to the Birmingham Sports Council for a grant to cover registration fees for the nationals at Sheffield. If successful this should make taking part a lot easier all round particularly for those only able to travel north for only one of the days competition. We also hope this will mean we can enter rather more relay teams than usual.

## **Swim 21**

Our portfolio of evidence is almost complete. Sue and John are meeting Nik Turnbull, the local ASA officer i/c Swim 21 at the end of the month.

## **Coaching**

Ed will not be available for the Saturday sessions so Paul will take these in the short term. All sessions are linked through Andrew, Ed and Paul's regular communication gearing towards maximum performances at Leamington and then Sheffield. A brief 'programme' showing the type of work being undertaken to be published.

## **Finances**

Looking quite good as numbers at training have maintained a reasonable level, therefore we agreed to drop admission charges for the remaining Sunday sessions before Leamington (**REMINDER** Closing date for entries is March 26th).

## **Pool closures**

The school has notified us of 5 times when we will not be able to use the pool. See home page.

## **Membership**

Keith has sent in our returns to the ASA (81 registered members) so those still not paid are technically no longer members.

## **Next social event**

Will be the meal on the Sunday of Leamington weekend. Possibilities of a quiz night entry shortly.

## **Kit**

Plenty of stock in hand so make sure you are all properly kitted out for Leamington.

## **Getting out early**

We need to be aware when colleagues get out early that they are not ill. Tell the coach!

**AGM will be on Wednesday 5th May**
